

Tally.ERP 9 – Your business companion

Your growth partner

Tally.ERP 9, a software that grows with you. You are assured that your needs, as you grow are easily handled. With Tally, you can manage multiple companies and incrementally add features such as multiple go-downs, multi-currency, order process, cost centres etc. This helps you get rid of complexities, and in turn, focus on business growth.

Better control over cash flow

Quick and hassle-free bills receivables and payable management help you to get paid faster as well as managing payment timelines. Also, Tally facilitates easy and efficient stock movement, making it possible to optimize the cash flow.

Improved productivity

With the speed that Tally brings, you can get things done quickly and save precious time, helping you do more for less. Insightful reports at blink of eye help you make confident decisions and plan the growth of your business better.

Better tax compliance

Tally's Prevention, Detection and Correction mechanism ensures that your books are always accurate, hence giving you the confidence that the returns you file are always correct!
